

## **Estrella Park Community Club**

November 2008

Dear Board Members of the Empowerment Congress North Area Neighborhood Development Council:

Estrella Park is located within your Area 3 boundaries at 1960 Estrella Ave., Los Angeles, Ca 90007. We are in partnership with the Los Angeles Neighborhood Land Trust, with whom we work together to strengthen, develop, and support our neighbors.

Estrella Park Community Club is a group of neighbors coming together for the development and maintenance of the park and other areas around the neighborhood. Our mission is to work together to improve the quality of life of our families and community. We believe in the improvement and development of our neighborhood through exercise, nutrition, health and art programs. We promote the importance of community clean-ups and meetings. We also promote being active in the planning and development of our society.

On Saturday, November 8, 2008, we hosted our 2nd Year Anniversary Celebration for Estrella Park. We had program displays, speakers, arts & crafts, free food and dance performances. More than 170 residents attended. We collaborated with the Children's Planning Council SPA4, Norwood Healthy Start Collaborative, Children's Bureau, LA City Council Member Ed P. Reyes' Office and the Los Angeles Neighborhood Land Trust. We are hoping that the North Area Neighborhood Development Council can also support this event.
