

13 July 2005

To: Empowerment Congress North Area Neighborhood Development
Council
C/O: Secretary Nancy Aguilar

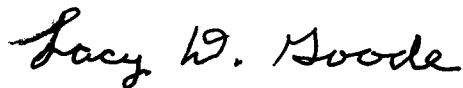

As stakeholder in the neighborhood council boundaries and a homeowner, I wish to be considered as a candidate for a seat on the board of the NANDC, I have lived at my current address for three (3) years. I see the need to serve in my community.

I served in Santa Monica from 1982 to 2002 in public service. Since moving to my current address, I have become involved in public service with the Normandie Pack Board for the past two and one-half years. I have attended the Board of Commissioner Meeting on behalf of the Pack Board.

I am totally committed to public service. The attached resume will summarize my experiences in public service.

I am a retired senior and have enjoyed my association with CRLA.

Respectfully
