PROJECT DETAILS

The University of Southern California seeks to improve the existing McAlister Field to better serve its women's soccer and lacrosse teams commensurate with Title IX regarding equal athletic opportunities for members of both sexes.

The improvements include a new stadium and pavilion within 27,714 square feet of floor area. These areas would provide for up to 2,548 occupants with 2,202 fixed seats and standing areas for 256 persons for game day events

TEAM SUPPORT FACILITIES

Locker rooms, training rooms,
coaches' offices, equipment storage,
film rooms, etc.

UPGRADED FIELD

Flexible two-sport field, lighting

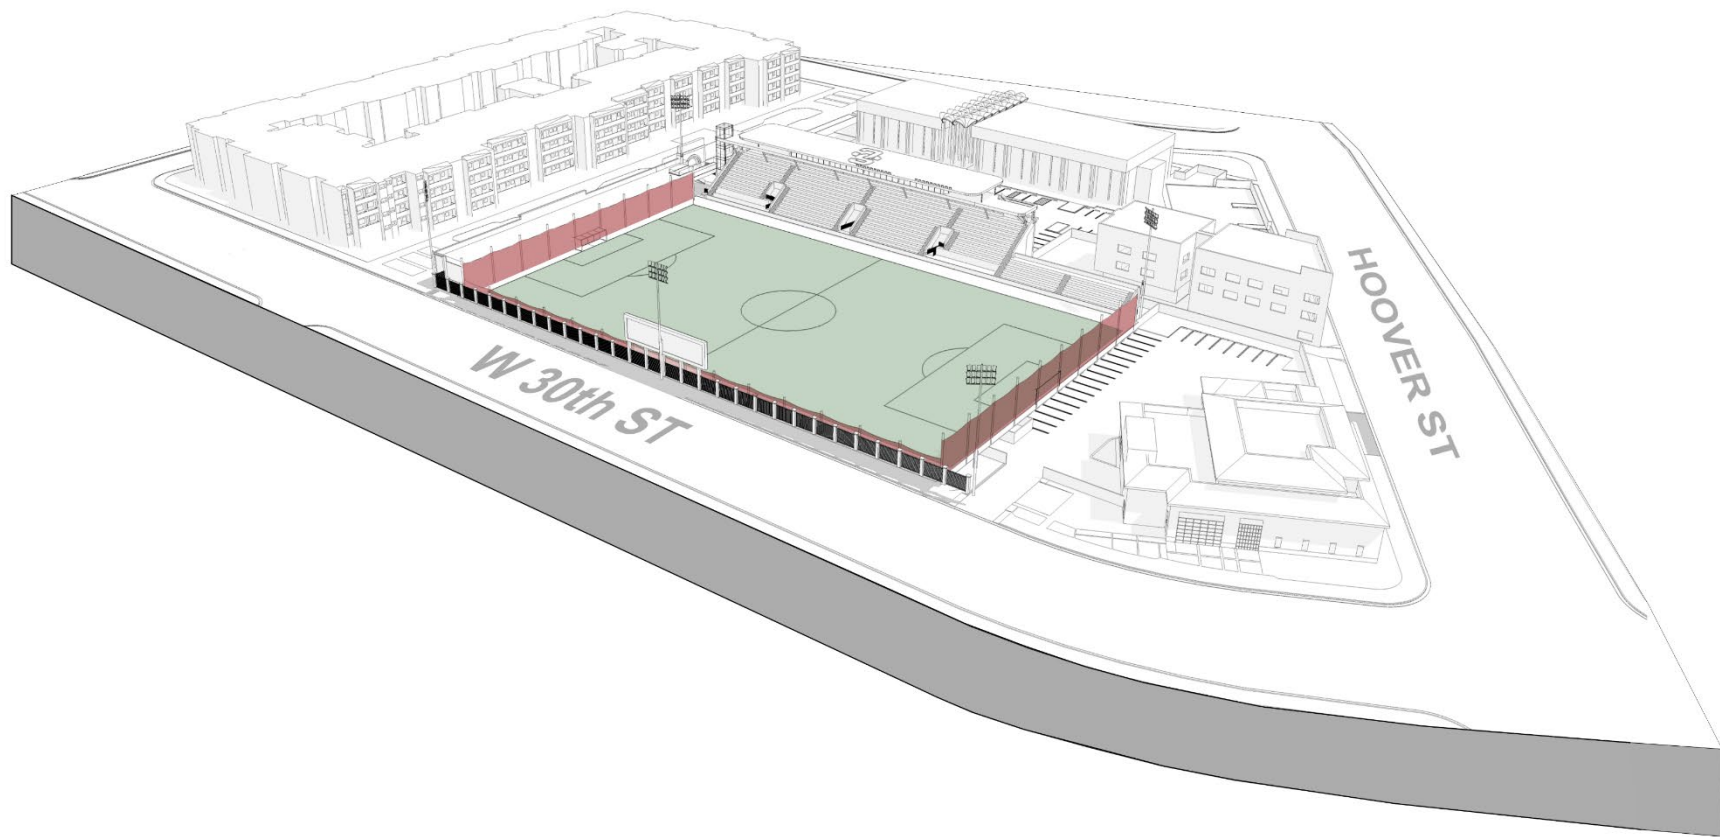

IMPROVED VISITOR EXPERIENCE

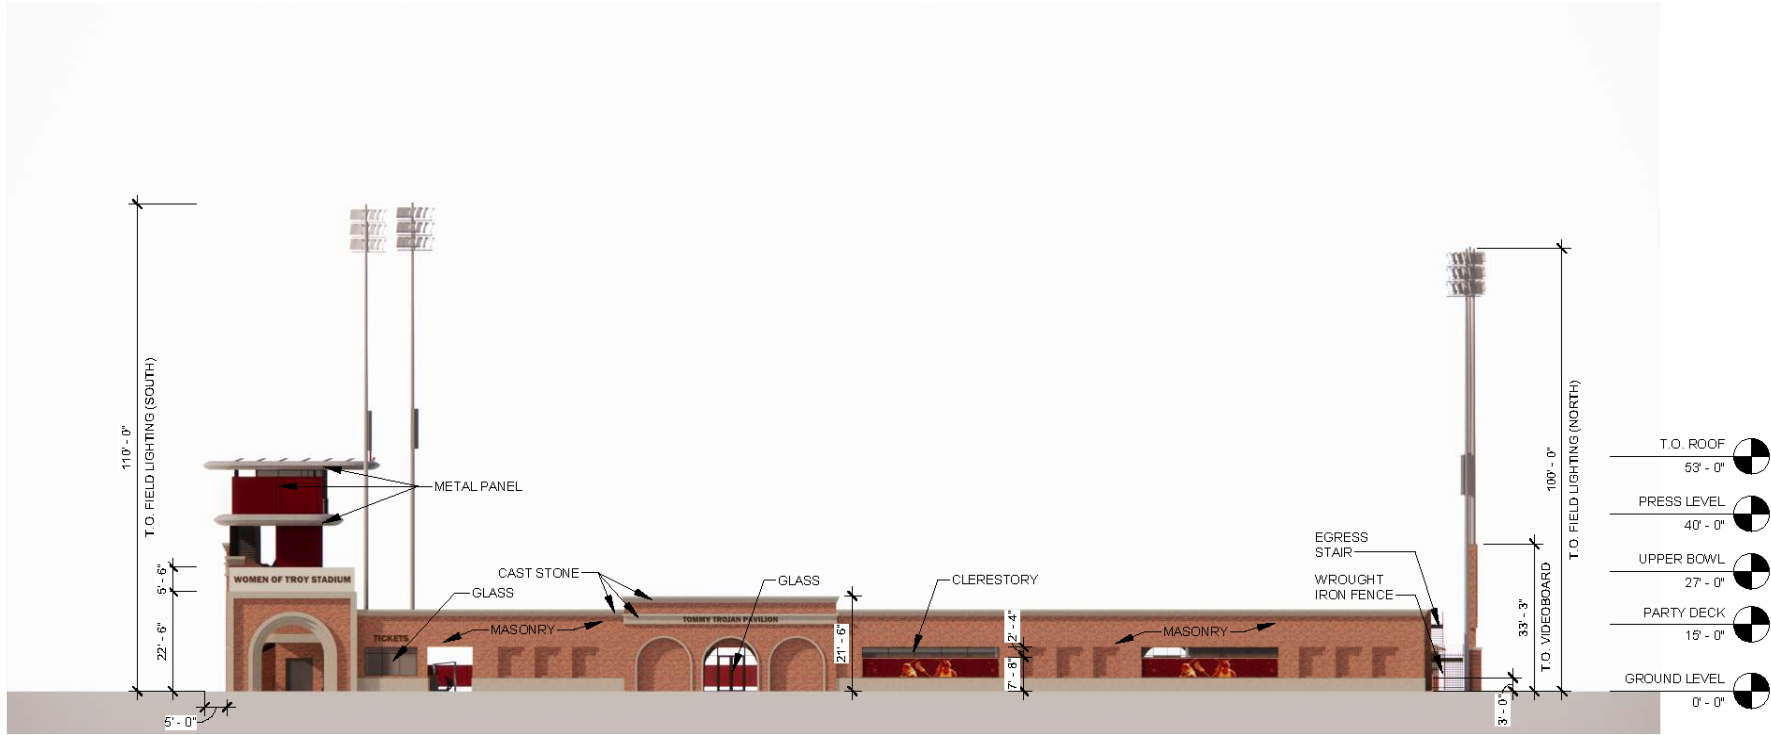

Upgraded and expanded seating,
shade structures, concessions,
restrooms, security, PA system,
press box

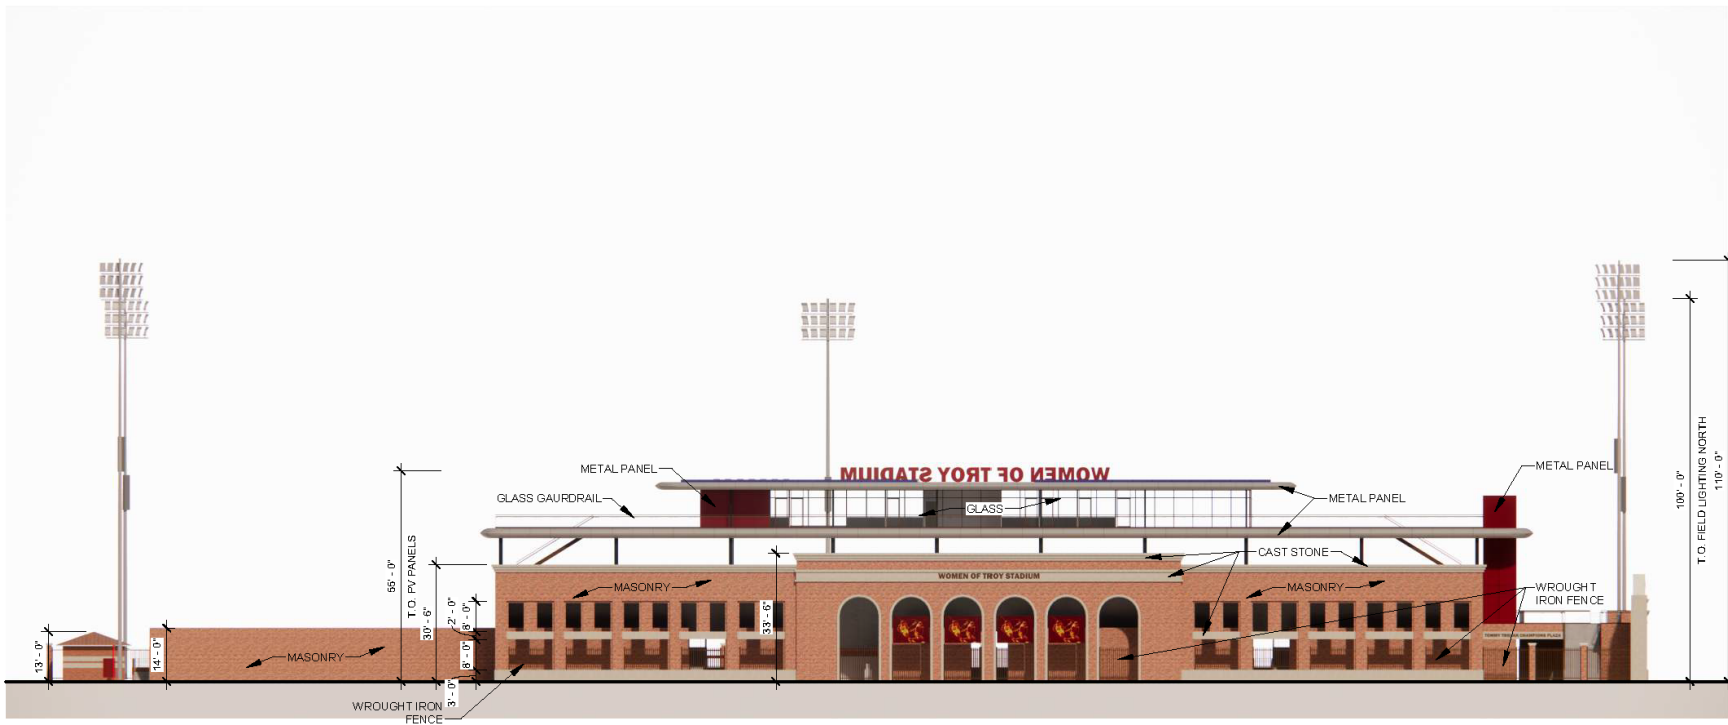

DESIGN

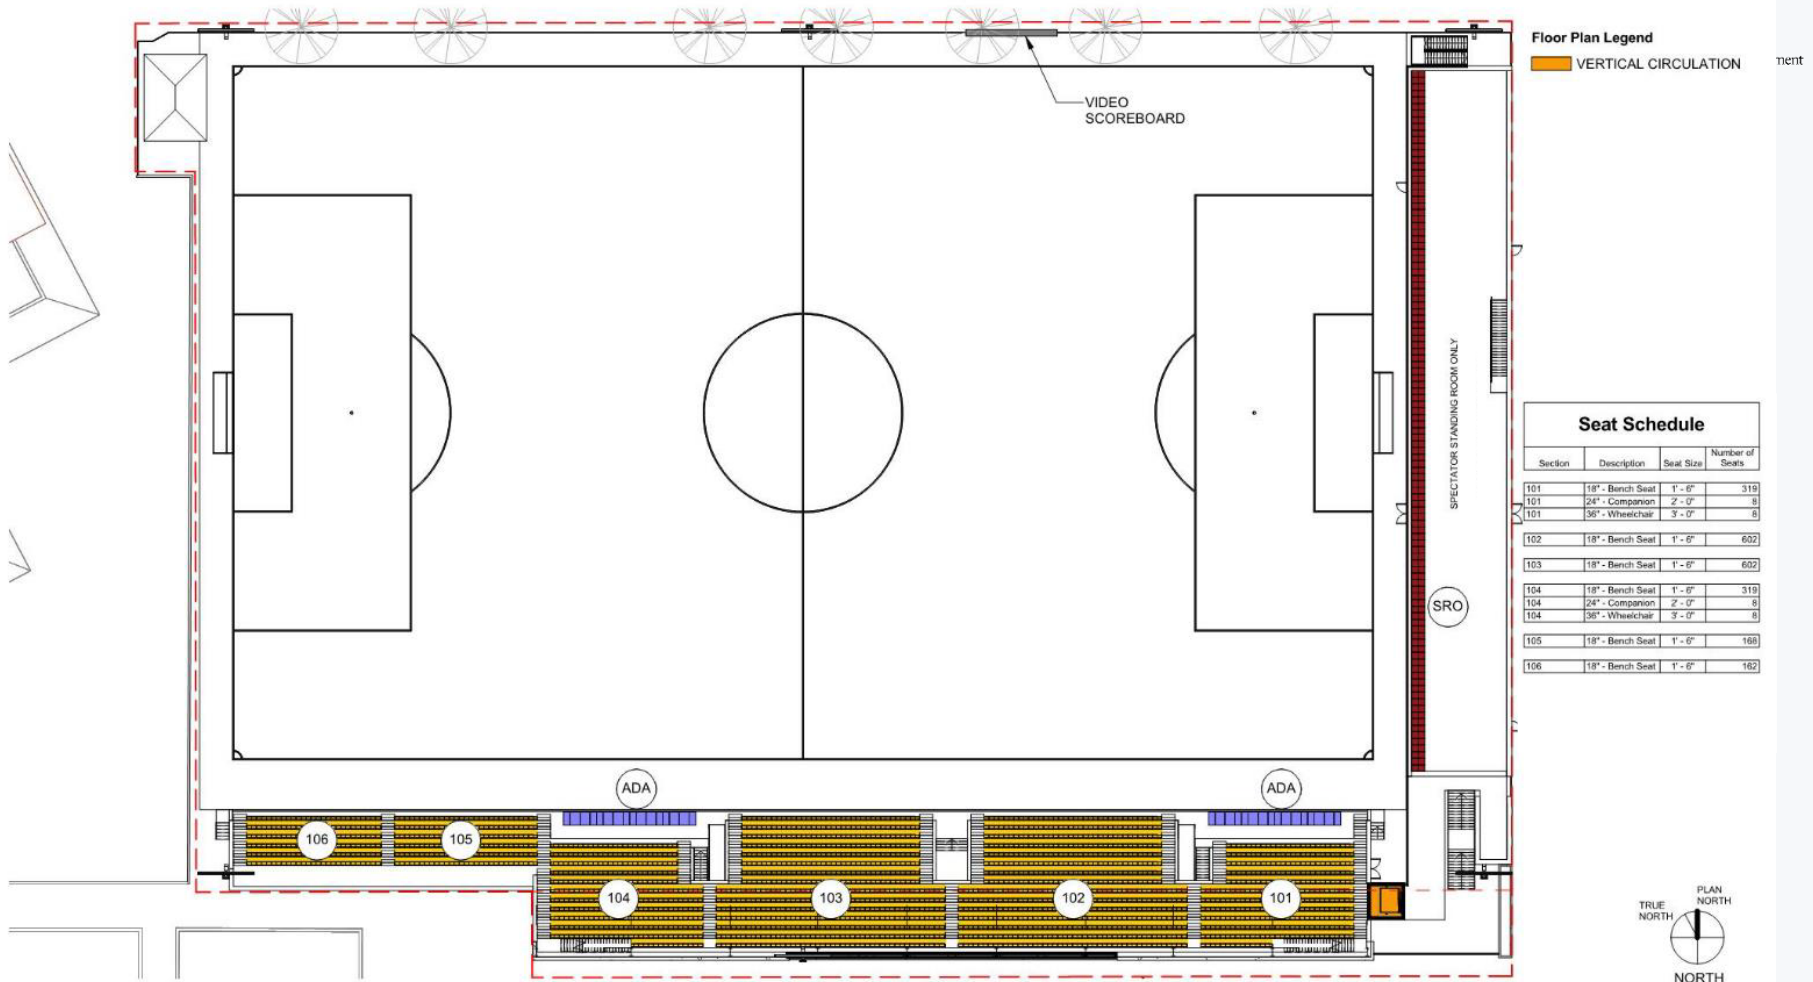

USC collegiate design aesthetic with
high quality materials, placement
towards center of lot, respectful of
pedestrian experience
