Letter of recommendation

Downtown Value School organizes several events at Casa Vertigo, and we have been partnering with them since 2013.

We had the pleasure to experience the excellent Salvation Army Annual Thanksgiving Dinner that gets hosted every year at Casa Vertigo. Time after time Casa Vertigo has extended their invitation to the community members and has given back to the community. Casa Vertigo has contributed to the success of our graduation, dance, and banquet events. Throughout this partnership we have worked closely with Maria Caballero who is the Liaison with the schools in the area. We trust in her team, and are impressed with the outstanding service that we get every single time. We do not have any concerns about any safety issues arising from expanding to the rooftop. Casa Vertigo is always ready to serve the needs of our community and provides a well kept space to host events. It is well known that they are meticulous with event planning. They provide a safe space for gatherings and we support their idea about expanding to the rooftop. Casa Vertigo has developed an outstanding reputation in the community because there have been very few complaints over the last few years. Downtown Value School strongly supports Casa Vertigo.

Sincerely;

Downtown Value School
