

To the Governing Board of North Area Neighborhood Development Council,

My name is Nicolas Creighton, and I am writing to you to declare my candidacy for the vacant seat of Area 3 Representative.

I have lived within NANDC's boundaries my entire life, and I both attend school and work within the boundaries of Area 3. For the past two years I have attended NANDC's monthly meetings and learned a lot about NANDC's Community Empowerment. The passion and thoughtfulness all board members have towards the community has led me to run for the Area 3 Representative seat.

In the most recent elections, I assisted the Elections Chair in canvassing the NANDC Area 3 where I informed constituents about the great things NANDC did for the community. I also invited them to be part of and participate in the events hosted by NANDC. I have been involved in just about every event NANDC has hosted in the last year. Some of the most recent events have been at the Baldwin Hills Crenshaw Mall and the Saint Agnes Food Distribution.

I also worked with community organizations such as the Wildwood's Organization called Oakgrove. Oakgrove provides high school students from our community and around the city a safe place to discuss issues and problems they face in their lives. NANDC has showed me that despite the onset of the Covid-19 pandemic they are still strong and willing to help the community. Therefore, I have not stopped looking for ways to continue to serve my community. Therefore, it is my wish to be appointed to the Area 3 Representative position. I will proudly serve my community to the greatest capacity and help the NANDC community thrive.

Respectfully Submitted,

Nicolas Creighton
