Dear Councilmember Parks and Ms. Davis,

Thank you all for your support with the first Jefferson Boulevard Community Clean-up day. Ms. Davis was very helpful in providing us with the proper contacts. Although some of the work is done, we still are trying to get red curb zones painted, fire hydrants painted, and side walks repaired. If a person was to try to ride down the side walks they would be impaired because of the cracks, etc.

We are also still working on trying to get the NANDC banners put up along Jefferson and eventually Western and Normandie Avenues. We submitted a grant from you office and haven't heard back yet. We would appreciate any support you may provide for the hanging of the banners--something that will be sustained in our community while carrying a message and beautifying all at the same time.

Attached in this email is an article for the newsletter along with some photos. I hope that you will be able to post these in your E-news.

Thanks again for your support and I'll be in touch.

Sincerely,
Andrea Canty
EC NANDC President
