

Dear North Area Neighborhood Development Council,

On behalf of the 8th District of the City of Los Angeles, thank you for your sponsorship of our *Movies in the Park* series for the summer of 2017.

Each event was an outstanding success, providing an excellent opportunity for families to connect to their local parks. *Movies in the Park* are a tremendous opportunity to strengthen community relationships in the 8th District, South Los Angeles, and indeed our entire city. Your support was invaluable and left a lasting impression with all our attendees. As we close out one of the safest summers in South LA since the 1960's, please know that community events like these are a contributing factor. I stand committed to working together with all who desire to improve the quality of life for our community and surrounding areas.

We are already planning our next events in the North area and I hope to partner with you in the future.

Again, the entire 8th District is grateful for your support and contribution and I invite you to call upon me as needed.

Sincerely,

Marqueece Harris-Dawson
Los Angeles Councilmember, Eighth District
